## About This Game

Put away your weapons, make a cup of tea and sit down at the playing table to try yourself in a role of a commander in a new card game - AXYOS: Battlecards!

Invent and utilise different tactics!

You have a plethora of soldiers and armour under your command. Upgrade them with different tech to come out of a dire situation alive and change the flow of battle!

Compete with your friends in multiplayer to determine which one of you is the best tactician!

Features:

- Units interact like they would in a real battle.
- In-game customisation of units.
  - 4 heroes.
  - Hero progression.
- 2 player multiplayer.
- A lore-driven story.
- Easy to pick up controls.
